

## Manufacturer's Declaration of Conformity

We hereby declare that all the Type EX309 products which fall within the field of application of:

**European Directive 2014/35/UE ("Low voltage Directive")**

**European Directive 2014/30/UE ("Electromagnetic Compatibility Directive")**

**European Directive 2014/30/UE ("ATEX Directive")**

**European Regulation 305/2011 ("Construction Products Regulation")**

Conform to the essential requirements set forth therein in order to be released on the market in European Union States.

Conformity with EC Directives is indicated by the "CE" mark and any other required graphic symbols and markings on the product and/or its packaging and/or instructions manual.

Moreover, each Amphe-309 product is always designed, manufactured and tested in conformity with the relevant IEC, CENELEC and CEI standards if applicable.

Products which are beyond the scope of the Directives indicated above are, however, in conformity with:

**European Directives 2001/95/CE ("General Product Safety")**
